Forecast For East of England
Issued by Met Office Exeter
at 1600 on Tuesday 23 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Early cloud and rain on Wednesday but sunshine developing.

This Evening and Tonight:
After some clear spells this evening it will be largely cloudy for most overnight, which will help keep temperatures mild. Breezy to start the evening but winds falling light after midnight. Minimum temperature 4 deg C (39 deg F).

Wednesday:
A cloudy start to the day with rain at times, mainly in the north. Rain easing by midday with bright or sunny spells developing through the afternoon as winds ease. Maximum temperature 13 deg C (55 deg F).

Outlook for Thursday to Saturday:
Fine but becoming breezy Thursday with rain overnight into Friday. Windy Friday with rain or heavy showers, becoming cold later. Staying cold Saturday but drier with less strong winds.
